## From the Pastor's Desk....

Dear Parishioners,

November has begun with our celebration of All Saints and our commemoration of All Souls. On Sunday at noon, we will offer a Mass in memory of our parishioners who died this past year. The rest of the month continues to occupy a place in our minds and hearts for our beloved dead and our own mortality and hope of resurrection to eternal life. The issues of death, dying, funeral and mourning practices, and afterlife are thoughtfully presented in the series *Eternal Rest* which you can watch on Formed at your leisure. It was presented last year at this time by our Adult Faith Formation Team and very well received.

November also brings us Election Day, a very important one this year as we consider a new president as well as numerous other offices and several important proposals. The Church does not tell you who or what to vote for, but it does urge you to form your conscience and be guided by Gospel principals and values. (See last week's insert.) Many pose the question: "Are you better-off now compared to four years ago?" Personally, I would answer in the affirmative, but for me it's the wrong question. Self-interest is not my guiding star. My faith impels me to seek the common good, and in particular, the benefit of those most in need of society's care. For New Yorkers, Proposal #1 seems like a no-brainer. Who isn't for rights? That is why our NYS Bishops Conference called it a wolf in sheep's clothing and asked us to consider a deeper look at the unsaid ramifications of this proposal. (See insert of two weeks prior.) The one thing that most Americans can agree on in this divided time is that we will all be grateful for an end to this election season. But we will have to live with the consequences of our decisions for the next four years. I pray that we all vote, first of all, and secondly, that we vote wisely.

Congratulations and thank you to all our newly installed Altar Servers!

In Christ, Father Bob

The Catechists will remind them that All Saints' Day is celebrated on November 1, and honors all the saints in heaven, both known and unknown. The following day, All Souls Day, on November 2, is a special time to remember and pray for people in their families who have died. Together, these days help all of us to reflect on life, death and the hope of being together again. Many people celebrate by lighting candles, visiting graves, and sharing stories about their loved ones. It's a time to cherish the happy memories we have of those who are no longer with us.

## Sister Nora's Notes

I've been enjoying the colorful leaves on the trees during these Fall days, and I often think about the fact that the leaves are so much more stunning when they are about to fall off and die. I guess that's nature's way. Maybe it's true for us humans too. I remember how beautiful and peaceful my mother was just days before she died even though she had been in great pain. It occurred to me the other day that the tree itself isn't dying; just the leaves are. Likewise, our bodies don't live forever, but our souls do, with God for all eternity. Today we remember and celebrate the lives of those who have died during this past year. It's one of my favorite things that we do here at OLBS. For those who've lost a loved one, we are nearby with lots of love and support as you continue the grieving process.

### SOCIETY of ST. VINCENT DePAUL GIVES BACK

For each car, truck or van, running or not, the Society of St. Vincent DePaul will give back to our church \$50/\$100 per vehicle. Maybe you don't have a vehicle, but a family member, friend or neighbor has an old or neglected vehicle in their driveway that they would like to dispose of. Call 718 491-2525.

## Our Lady of the Blessed Sacrament Catholic Academy

shared by Sister Donna Smith, D.C.

For the week of November 4th our prompt is:

**"Don't complain this week - instead be thankful."**

In Philippians (2:14) Paul admonishes us by saying, **"Do all things without grumbling or disputing."** And in Thessalonians (5:18) we are reminded to **"Give thanks in all circumstances."**

*This quote says it all!!*

*Take time this week to reflect on this message.  
Let's replace our negative thoughts with positive ones.*

*Have a great week!!*

## In Persona Christi: The Catholic Priesthood

The Catholic priesthood comes to us from Jesus Christ. Building on this pattern of priesthood from Old Testament times, Jesus chose twelve men to act in His place as priests of the new and everlasting covenant. This film explores the essential nature and theology of the sacred priesthood, the importance of a deep prayer life, the centrality of the Mass and Eucharistic Adoration, devotion to the Blessed Virgin, priestly fatherhood and celibacy, and the necessity of a missionary zeal.
